

The definitive guide to trademark legal services

Rankings

Slovenia

One of the market's top full-service law firms, this practice is one of the few to offer specialised IP services. The firm's trademark expertise is broad, encompassing all aspects of prosecution and portfolio management, as well as dispute resolution. This hardworking outfit is known for its ability to provide practical solutions to clients such as French dairy group Bongrain, which has subsidiaries in the Slovak Republic. Its IP specialists are the highly experienced Peter Stavrovsky and Tatiana Ziakova. Both are licensed trademark agents and qualified lawyers, and can offer the full suite of contentious and non-contentious trademark services.

Firms

ITEM doo

ITEM wins praise as "a very strong company with a number of good practitioners specialising in trademarks". The firm is one of the most experienced in the IP and trademark field in Slovenia, distinguished by its ability to offer top expertise in both non-contentious and contentious areas. It boasts an impressive track record in trademark litigation and is involved in many cases before the higher courts. With a formidable anti-counterfeiting practice, the firm is admired for its ability to cooperate effectively with Customs. Leading market player **Gregor Macek** is acknowledged as "one of the top experts in the market".

ITEM doo (Ljubljana)

Odvetniki Šelih & partnerji op doo (Ljubljana)

Patentna pisarna doo (Ljubljana)

Odvetniki Šelih & partnerji op doo

With a diverse and dynamic commercial practice, this firm enjoys a solid reputation for its IP expertise. Its high-calibre domestic and international clientele, which includes major brand owners, avails of a variety of services ranging from filing and prosecution through to major litigation. Partner **Nataša Pipan Nahtigal** has broad expertise in both the IP field and corporate and commercial law, and is recommended as a "very experienced practitioner".

Patentna pisarna doo

This long-established specialist IP firm has developed a stellar reputation in the Slovenian market and regionally. An important pillar of the firm, the well-resourced trademark practice provides the full range of services to its brand-owner clientele. The sheer breadth and depth of the practice distinguishes the firm in the market, while the team's specialist translators enable it to offer a thoroughly international service. According to commentators, the firm is "definitely one of the best, if not the top firm in the market". Leading individuals include lawyers **Vesna Kovic** and **Irena Kadunc**, who both focus on contentious matters and high-level commercial work.
